## Fundraising Tool Kit U

### **UP, UP AND AWAY BALLOON SALE**

*Buy a bunch of balloons. Ask your local school department or local school principal (s) if they have a helium tank that they can let you borrow or if they will fill the balloons for you. The balloons can be sold at a school event – perhaps the annual Ice Cream Social or Book fair. Or, obtain permission and sell the balloons outside of the local grocery store chains. Little children are magnets to balloons! Always remember to vocalize and advertise where these donations are going!*

### **UGLY TIE CONTEST**

*All schools – donate \$1 to participate in this contest. Have each homeroom vote on the ugliest tie! Winner gets a homework pass or perhaps a free ice cream at lunch! (See Hat Day).*

### **USED BOOK SALE**

*This can be part of a garage sale or an organized community event at church or school. Collect all used books. Divide by age group or subject matter.*
