*New Gifts!*

# Little Treasures

**Brighten your sponsored child's holiday season with a gift they'll treasure!**

Every child should experience the excitement of unwrapping a gift just for them. You can send joy to your sponsored child at a time when they need it most. Your sponsored child's Little Treasure might be the only gift they receive during this difficult time. We've seen the way sponsored children's faces light up when they receive a gift from their sponsors. We know how much they treasure them. Your sponsored child will be so happy to know that you're thinking of them, and that they have a friend out there who cares!

## Scratch Art Notebook \$16

Spark creativity with a magical scratch art notebook! Bright rainbow colors are revealed when they write and draw on this fun scratch paper. With this gift you'll be inspiring your sponsored child to use their imagination and play with words and art in a new way. This gift includes one scratch art notebook, a stencil and a stylus.

## Water Bottle & Bandanna \$21

Keep your sponsored child healthy and protected! A colorful bandanna will be a fun accessory for them. And with this 16.9oz collapsible water bottle, your sponsored child will have their own personal reserve of water to take with them anywhere they go. They'll stay better hydrated, and will be able to wash their hands more frequently — something that's more important now than ever before.

## Mini Calculator \$26

You can inspire learning with a colorful, pocket-sized calculator. Calculators may seem like a simple tool, but your sponsored child may never have had one before. It'll be an exciting and fun way for them to continue learning math while schools remain closed. And the best part is that it's solar powered, so they won't need to worry about batteries.

### Your Little Treasure Chest \$56

Send your sponsored child this bundle of three gifts: the Water Bottle and Bandanna, Scratch Art Notebook and Mini Calculator! They'll have a playful gift to get creative with, along with some useful gifts to keep them safe and learning — and all of it will be special because it's from you.
